READ WITH DRIVEN MACHINERY REGULATION 18(11) : LIFTING MACHINES– CERTIFICATE
OF TRAINING (LICENSE)**

With regards to the letter dated 26 March 2020 granting an extension to implement training and renewal of carry cards.

Due to the fact that the industry is going back to normality and some training providers have resumed training, an extension that was granted on the implementation of training and the renewal of carry cards is therefore withdrawn subject to the following conditions:

- (a) Training of operators must resume immediately and must be conducted in adherence to Covid19 rules and regulations.
- (b) Operators whose licences (carry cards) were about to expire or have expired during the lockdown are given 120 days from the date of this letter to be renewed.
